DELAND SHOW

It has not been determined just yet where the show in Deland will be held this year. The date is still October 8th. It will be held either at the Armory on South Alabama or the Putnam Hotel on West New York. The Putnam Hotel has been the site in the past but this time the members are trying to get the Armory which will be a better place to hold a show of this kind.

Try the Armory first and if you do not see any activity go to the Putnam Hotel. There will be signs out to help you find your way. Just come and bring your bloom and take the best bloom of the show.

MID-FLORIDA CHAPTER SALUTES 50 YEARS OF NAVAL AVIATION

This is the theme of the Mid-Florida Chapter show to be held at the San Juan Hotel on October 15th. Please note the change of show date.

The change was necessitated by the fact that Mrs. Robert Guthrie, show chairman, was given orders by her doctor to cut all outside activities. Mr. Herb Gilliard has now accepted the chairmanship but will need additional time to get things rolling. Then too this will ease the conflict with the Jacksonville Chapter.

Bring your bloom and show with us at Orlando.
